How do we know the Bible is true?

Use the Bible to test the Bible

II Tim 3:16,17

Acid Test- distributed during the time written...easily disproved

Specific names, places, etc.

Peter's story

God reveals himself in 2 ways:

Creation (Romans 1:20)

The Bible (II Tim. 3:16,17)

What did **Jesus say** about himself

Jesus said: I am.....

John 4:25,26...Messiah

John 10:25...miracle worker

John 10:36...Son of God

Matt. 9:1-9...power to forgive sins

John 14:6...only way to God

Matt. 28:18-20...authority in heaven and earth

What did **enemies say**: (John 5:18) He claimed to be equal to God

Jesus based his ministry on a resurrection

If the resurrection was not possible, Jesus was not a good, wise teacher.

What would the **enemies of Jesus** have to do to stop his ministry

Display the dead body of Jesus

Was Jesus really resurrected?

Historians

Josephus, Thallus, Tacitus, etc.

If Jesus was not resurrected, these historians were not good historians

If the resurrection did not **happened** and the grave was not **empty**...Who took the body?

What is the conclusion?
